900 South to 2100 South, roadway rehabilitation

This Salt Lake City project will revive the 900 East roadway by replacing the deteriorating pavement section on 900 East from 900 South to 2100 South in Salt Lake City. Side treatments will include replacing curb, gutter, driveway approaches, sidewalk ramps, and intermittent sidewalk replacement. Streetscape improvements will include new traffic signals, new street lights, storm drain and irrigation upgrades, and landscaping. UDOT will oversee work on this project.

Current identified budget: \$8 million

Legislative Districts:

Senate: 7

House: 25, 30
